

RIVESTIMENTI

MASSELLO

Il legno massello è il materiale naturale per eccellenza talvolta arricchito da intagli, inserti in vetro o acciaio. Di particolare bellezza ed eleganza poiché grazie alle sue sfumature e venature rende unico ogni rivestimento. È la scelta di chi non rinuncia alla tradizione, esigendo nel contempo la qualità e la solidità garantite dai moderni processi produttivi. Sono pannelli di spessore 20 mm trattati con vernici per esterni nelle essenze:

Iroko

Castagno

Mogano

Rovere

Nocino

Okumè

Ciliegio

Installazione consigliata in ambienti riparati dall'esposizione diretta agli agenti atmosferici.

HEARTHWOOD COLLECTION

Solid wood is the natural material of choice and preminence, a material sometimes adorned with incisions or inserts of glass and metal. It is of a particular beauty and elegance and thanks to its natural veins and particular details it makes every finish unique. It is the choice of those who does not renounce tradition and who, at the same time, requires a product characterized by the quality and security offered by the modern production techniques. The panels are 20 mm thick and they are treated with varnish for external use in the following tones:

Iroko

Chestnut

Mahogany

White Oak

Walnut

Okumè

American Cherry

This panels are suitable for enviroments at repair from direct action of atmospheric agents.

Installazione all'esterno riparato
